

# The Legal System and Problem Gambling

JODY BECHTOLD  
LCSW, IGC-G-II, BACC  
CEO OF BETTER INSTITUTE

## OBJECTIVES

- **Remembering:** Define and identify the characteristics of Gambling-Motivated Crime
- **Understanding:** Explain the clinician's responsibilities and contributions within the legal system during pre- and post-sentencing phases.
- **Applying:** Outline strategies clinicians can employ to facilitate client reintegration and ongoing recovery after sentencing
- **Creating:** Develop the ability to produce well-structured expert testimony and reports that effectively communicate clinical assessments and recommendations within a legal context
